DENTAL EDUCATION WORKSHOP

on

"OUTCOME BASED CURRICULUM FRAMEWORK"

24 & 25 May 2019

Venue
Sri Gowrishankara Auditorium

Dental education in India has made tremendous progress and is heading towards advancement in every aspect, bringing revolutionary changes in the present scope and sphere of oral health. **Outcome-Based Education (OBE)** is a student-centered learning philosophy that focuses on empirically measuring student performance called “outcomes” (goals). By the end of the educational experience, each student should have achieved the goal. It represents the most important development in education in the past two decades.

In this regard the Department of Oral Medicine and Radiology, intends to conduct a two-day workshop on Dental Education. The aim of the workshop is to train faculty with respect to the concept of Outcome Based Education framework and provide hands on exposure to planning, designing and mapping of curriculum.

Registration fee : ₹ 1200/-

Last date : 20 May 2019

Co-ordinator: Dr Prasanna Deshpande – 9886473872,
Dr Aishwarya R - 9449142448

Delegates should carry fully charged Laptops on both days
