Educational Qualification : M. Pharm

Year of Registration : October 2018

Project Supervisor : **Dr. K P Arun**, Assistant Professor, Department of Pharmacy Practice, JSS
College of Pharmacy, Ooty

Research Abstract :

‘Pharmacogenetics’ and ‘Pharmacogenomics’ are the emerging tools that are leading the way towards individualized medicine with the great hope that they help to predict either treatment response (efficacy) or the risk of adverse drug reactions (ADRs) and optimal dosing. Thus, combining pharmacogenetics and pharmacometrics will be an ideal approach for individualize the dosage regimen of drugs.

Awards & Scholarships

ICMR SRF

Secured scholarship (first position) for M.Pharm project sponsored by Tamilnadu Pharmaceutical Sciences Welfare Trust

Way Forward

To strive for excellence in the field of research - with dedication, focus, positive attitude and passion.
